Discover your family's migration story and open your heart to those who are on the move today. Monday, September 20th 6:30 – 8:00pm Pacific Time
In celebration of National Migration Week, we're offering a genealogy workshop to spark solidarity with today's migrants by engaging people with their own family migration stories. The workshop will focus on how to research family members who immigrated to the U.S., what kinds of church records here and abroad are available and useful and how to find them; and a Q&A section. Please RSVP to Chris Koehler

Join us to celebrate National Migration Week 2021 as we gather in solidarity with the migrant community at our southern border. Come and share your connections to migration, learn about what's happening on the border, pray and reflect on where God is calling us to respond, and find out what we can do to make a difference. Please RSVP to Chris Koehler
